

Hi, there!

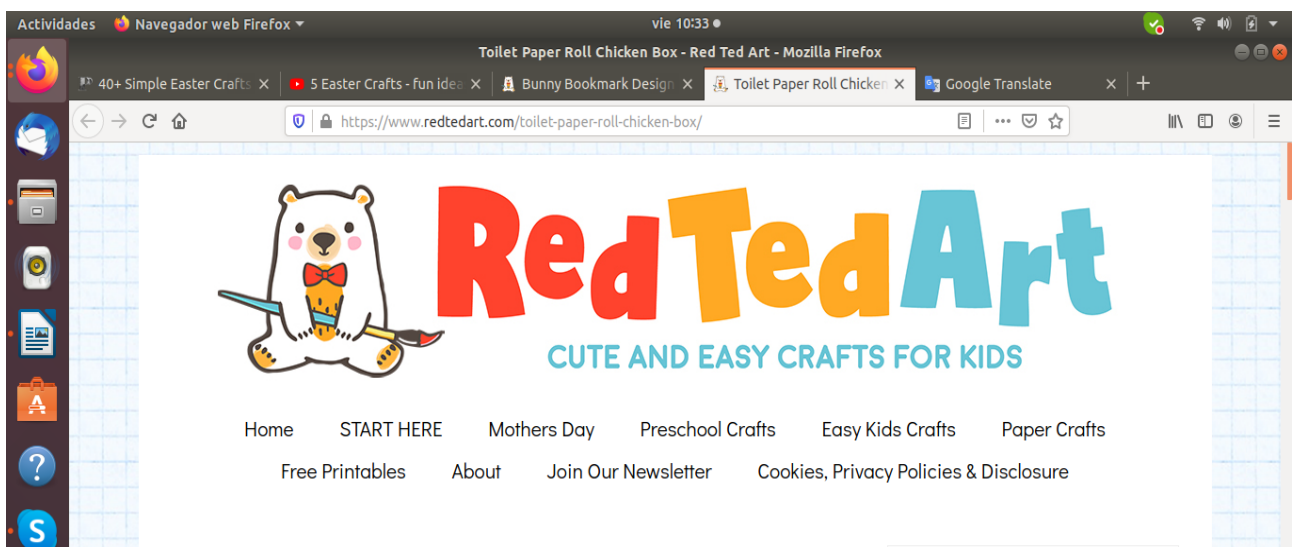

Gosh! This is going to be the third week at home! Hope you've been visiting the school web page and practising your English and the rest of your subjects!

How are things going? Hope you all are OK as well as your families. I'm a bit worried. I don't know if you can read my words in English. So, if you can't, please use:

GOOGLE TRANSLATOR!

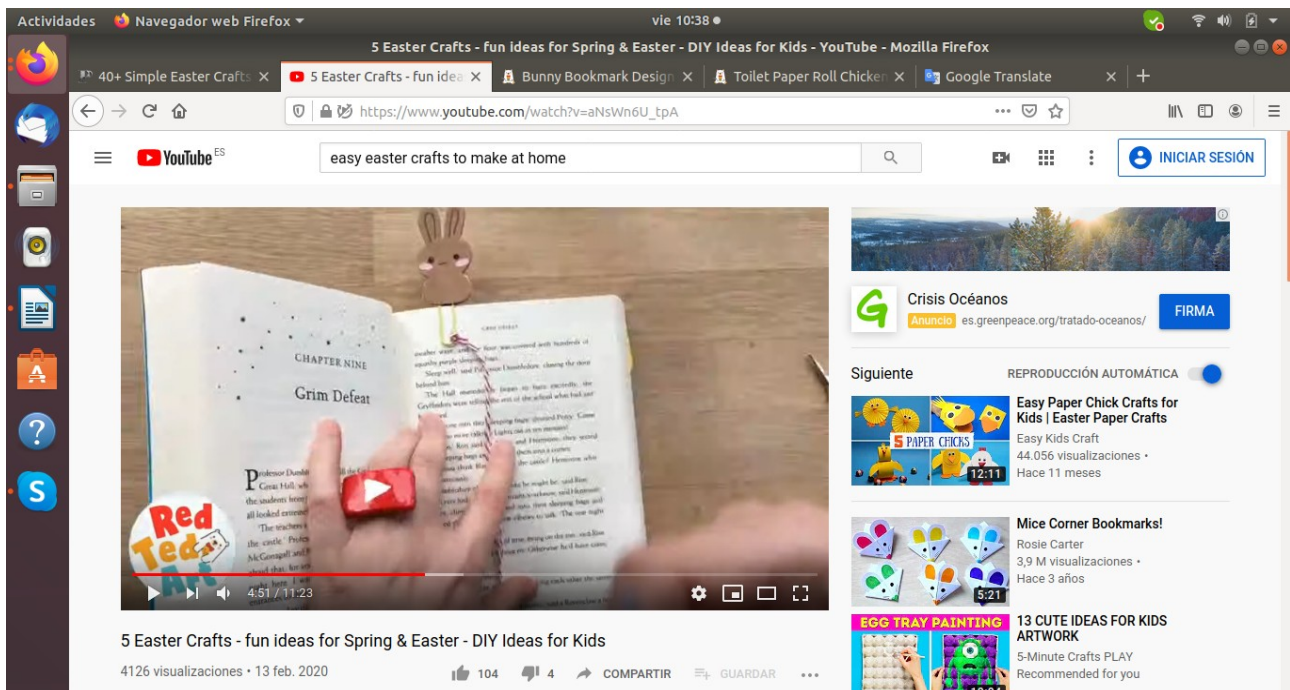

Here comes Easter and ... do you like Art & Crafts? Here you've got some easy projects for you to do. I think you might like them.

This is the web page to have a look at. Choose the craft you like best, related to Easter, please!

And here you've got a youtube video with five fun ideas and how to do them:

Well, and this is my request: Ask someone in your family to take a picture of you and your project or even better: record a thirty seconds video! What a challenge! Tell us your name, your project's name, if it was easy or difficult to do, any wish you want to share... oh, yes, in English! Remember, use Google Translator!

These are your classes emails:

Tsunami: turodeguiera.3a@gmail.com

Earthquake: turodeguiera.3b@gmail.com

I look forward to your crafts. Hope you be happy doing this Easter project.

A big hug to all of you!

Elisabeth xx
