Hello again, I hope you are well!

This week I propose you to do a "webquest" about **films**.

First of all, I recommend you watch the videos below (you can use subtitles) to learn how to talk about movies or films in English:

https://www.youtube.com/watch?v=7ib1PG2s1M0

https://www.youtube.com/watch?time_continue=55&v=4uerFSSBhko&feature=emb_logo

You can watch the following videos to learn about movie vocabulary:

After watching the videos you can start the activities. When you finish your project, send me a photo or, if you did it using a Power Point or any kind or presentation form, send it to me also if you wish. You can record yourself telling your project and send the video to me, too. I would like to see your project.

Remember to send your work in your class email, and remember to visit the English corner in our school website to practice lots of English.

I hope to see you soon!

A big hug,

Cinta
